6 WESTERN DISTRICT OF WASHINGTON
7 AT SEATTLE

8 “AURORA”,

Case No. C16-1358RSM

9 Plaintiff,

10 v.

ORDER TO SHOW CAUSE

11 PATRICK ALLEN SHEELY,

12 Defendant.
13

14 On June 22, 2017, Plaintiff informed the Court that it had received notice of Chapter 7
15 bankruptcy proceedings involving Defendant.¹ Dkt. #46. Thus, it appeared that the matter was
16 subject to an automatic bankruptcy stay. As a result, the Court ordered that the case be stayed,
17 and directed the parties to promptly notify the Court when the bankruptcy proceedings had
18 concluded and/or if the status of the automatic stay changed for other reasons. Dkt. #48. The
19 Court also removed Plaintiff’s pending motion for judgment (Dkt. #43) from the Court’s motion
20 calendar. *Id.*

21
22 There has been no further communication from the parties in this matter for nearly one
23 year. However, the Court is now aware that Defendant’s bankruptcy proceedings concluded in
24 September of 2017, and it appears that his bankruptcy action was closed in October of 2017. *See*
25 *In re Sheely*, Bankruptcy Case No. 17-12590-MLB.
